1. Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less **must**, following the end of each financial year, complete Form 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:
 - a) does not meet the qualifying criteria for exemption; or
 - b) does not wish to certify itself as exempt
2. Smaller authorities where the higher of all gross annual income or gross annual expenditure **does not exceed** £25,000 and that meet the qualifying criteria as set out in the Certificate of Exemption **are able to declare themselves exempt** from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review **provided** the authority **completes**:
 - a) The **Certificate of Exemption**, page 3 and returns a copy of it to the external auditor **either** by email or by post (not both) **no later than 30 June 2022**. Failure to do so will result in reminder letter(s) for which the Authority will be charged £40 +VAT for each letter; and
 - b) The **Annual Governance and Accountability Return (Form 2)** which is made up of:
 - **Annual Internal Audit Report (page 4)** must be completed by the authority's internal auditor.
 - **Section 1 – Annual Governance Statement (page 5)** must be completed and approved by the authority.

- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review

Any smaller authority may request a limited assurance review. If so, the authority should not certify itself as exempt or complete the Certificate of Exemption. Instead it should complete Form 3 of the AGAR 2021/22 and return it to the external auditor together with the supporting documentation requested by the external auditor. The cost to the authority for the review will be **£200 +VAT**.

Provided that the authority certifies itself as exempt, and completes and publishes the documents listed under 'Publication Requirements', there is no requirement for the authority to have a review.

If it decides to certify itself as exempt, the authority must complete and return the Certificate of Exemption on Page 3 to the external auditor to confirm that it has certified itself exempt.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Councillor Wilson

C/o Mrs A Appleyard, Clerk to the council

Dear Councillor Wilson,

REF: REPORT FOR COUNCIL OF FULL YEAR INTERNAL AUDIT 2021/2022

I have conducted the full year internal audit (I.A) for the Parish Council, following the Annual Governance and Accountability Return (AGAR) guidelines, making several random paper trails and found paperwork in order. I have completed and signed the internal auditor's page of the council's AGAR for the year ending 31 March 2022. Attached is the Good Councillor guide and also an explanation of an Internal Audit for members information. Listed below are some recommendations and observations, mainly for transparency reasons that will help keep the council lawful:

1. To aid compliance with Item C of the Annual Internal Audit Report in the AGAR, the Council should consider having more than the end of year internal audit. At least two annually is recommended by LALC ensuring that throughout the financial year there is continuing accuracy of the authority's internal controls. It is easier to put a few months accounts or procedures correct than to try to amend 12 months.
I always give a better fee for a council having 2 IAs a year, so saving the council money and ensuring that procedures are correct.
2. The Cash book/Ledger must have a separate column for s.137 whether used or not, your cash book showed this up to 2014.
3. A council's email should be generic and not that of a clerk or member
4. VAT is not shown as being claimed back, this should be done annually if the council has been charged VAT
5. The names of each member of the council should be on the East Lindsey Council website with their interest forms, this can then be linked from the council's website
6. All minutes from 2018 should be on the council's website and for good practice the agendas as well
7. AGAR paperwork including the Internal Audit report to the chairman from 2018 should be on the council's website under finances
8. The council Agenda and Minutes should have details of payments to be approved etc.
9. The agenda should be more detailed e.g., correspondence could have LCC: Report on road closures. Planning should have the application number etc. Nothing should be discussed unless detailed on the agenda.
10. The agenda should show the date issued normally near the signature.
11. I would strongly recommend that the council subscribe for the LALC website maintenance as soon as possible at only £150.00 per year, less than 0.8p a month per electorate, the web master advises whether the website is lawful, uploads the council's paperwork in the correct place and in correct/readable format to be accessible to all, this will ensure that the council provides information those residents that have internet access.

Thank you for asking me to conduct your Internal audit and please contact me if you have any questions.

Yours sincerely

V Clark
